Printing blankets / varnishing plates and food regulations

Dear customer,

Thank you for your question regarding our printing blankets / varnishing plates and food regulations.

Because our products get not in touch with it they are harmless for food. So the following regulations regarding food contact are not applicable for the printing blankets and varnishing plates.

- 2004/1935/EC
- FDA 21 CFR 177, 178

For further requests we are readily at your disposal.

With best regards

B. Stapel
